

REPORT OF NDLI & DELNET AWARENESS PROGRAMME 08-08-26

Date: 06 August 2026

Organized by: Central Library

Institute: Appasaheb Alias Sa. Re. Patil Institute of Technology, Shirol

Resource Person: Mr. N. S. Kamble, Librarian

Programme: NDLI & DELNET Awareness Programme

Major Participants: Students and Faculty Members

Introduction

The Central Library of **Appasaheb Alias Sa. Re. Patil Institute of Technology, Shirol** successfully organized an “**NDLI & DELNET Awareness Programme**” on **06 August 2026** with the objective of creating awareness among students and faculty members regarding the effective utilization of digital library resources for **academic learning, teaching, research, project work, competitive examinations, skill development, and lifelong learning.**

The programme was designed as a practical, hands-on awareness session in which participants were introduced to the major features and services of the **National Digital Library of India (NDLI)** and **Developing Library Network (DELNET)**. Live demonstrations were conducted to enable participants to register, log in, search, discover, and access various scholarly and educational resources.

Objectives of the Programme

The major objectives of the programme were:

1. To create awareness about the **National Digital Library of India (NDLI)** and its digital learning resources.
2. To introduce students and faculty members to **DELNET and its major library networking services.**
3. To demonstrate effective searching and retrieval techniques for digital resources.
4. To familiarize participants with **e-books, e-journals, theses, dissertations, conference proceedings, question papers, reports, and other scholarly resources.**
5. To encourage students to use authenticated and reliable academic information resources.
6. To promote the use of digital resources for **research, literature review, project work, teaching, examinations, internships, and placements.**
7. To develop digital information literacy and encourage lifelong learning among students and faculty members.

Session I – National Digital Library of India (NDLI)

The programme commenced with a brief welcome and introduction to the institute and the Central Library, followed by an informative session on the **National Digital Library of India (NDLI)** conducted by **Mr. N. S. Kamble, Librarian**.

The resource person introduced participants to the concept, objectives, importance, and major features of NDLI. Participants were informed that NDLI serves as a digital learning platform through which users can discover a wide range of educational and scholarly resources from different sources.

The session highlighted resources such as:

- E-books
- E-journals
- Theses and dissertations
- Research papers and articles
- Lecture videos
- Question papers
- Reports
- Educational materials
- Competitive examination resources
- Other digital learning resources

Live Demonstration of NDLI

A live demonstration was conducted to explain the practical use of NDLI. Participants were guided through:

- NDLI registration and college membership
- Joining the Institute's NDLI Club
- Use of the institutional passkey
- User profile creation and updating
- Login procedure
- Basic and advanced search facilities
- Subject-wise search
- Stream-wise search
- Language-wise search
- Author search
- Accession search
- Content-provider-wise search
- Filtering and refining search results
- Discovering relevant digital resources
- Accessing and using available learning materials
- NDLI Club participation and event-related activities
- Procedure for obtaining participation certificates through NDLI events

The hands-on demonstration enabled students and faculty members to understand how NDLI can be used effectively for academic study, research, project work, competitive examinations, and continuous learning.

Institute NDLI Club Membership

The institute has registered its NDLI Club to facilitate access to and participation in NDLI activities.

Institute NDLI Club Registration Number:
INMHNC3T2TTYUZC

Current NDLI Club Membership:
154 registered members

The institute is committed to increasing NDLI Club membership and encouraging more students and faculty members to participate in NDLI activities in the coming academic years.

Note: Institutional passkeys and passwords are intentionally not reproduced in this report for security and confidentiality purposes. They may be maintained separately in official library records.

Session II – DELNET Awareness Programme

The second session focused on **DELNET (Developing Library Network)** and its importance in supporting academic learning, teaching, and research.

The resource person explained the concept and objectives of DELNET and demonstrated how students and faculty members can access its resources using their authorized login credentials.

Participants were introduced to various DELNET services and resources, including:

- Union Catalogue of Books
- E-books
- E-journals
- Theses and dissertations
- Conference proceedings
- Article requests
- Inter-Library Loan (ILL) services
- Scholarly and academic resources
- Digital learning resources
- Other library networking services

The demonstration explained how DELNET enables users to discover scholarly resources available through participating libraries and supports academic and research activities.

DELNET AI Tools and Additional Resources

During the DELNET session, participants were also introduced to various additional services and digital resources available through the DELNET platform.

The resource person demonstrated and explained resources and services such as:

- Knowledge Gainer Portal
- Concour Portal
- AI-based tools and technologies
- Rare Books Collections
- Language Learning Resources
- E-Newspapers
- Digital and scholarly information resources

Students showed considerable interest and enthusiasm while exploring the AI-powered tools and other digital services introduced during the session.

Hands-on DELNET Login and Usage

One of the major highlights of the programme was the successful **simultaneous access/login of 324 students and faculty members to the DELNET portal** during the live hands-on session.

Participants used their individual devices to access DELNET under the guidance of the resource person. They explored e-books, e-journals, theses, dissertations, conference proceedings, and other scholarly resources.

This hands-on activity provided participants with practical experience in using authenticated academic information resources rather than depending solely on general internet searches.

The participation of **324 users** during the live session demonstrated the strong interest of students and faculty members in digital library services and academic e-resources.

DELNET Membership ID: 11832

Institute/User ID: MHAASRPIT

For security reasons, the DELNET password is not included in this report.

DELNET Usage Evidence

The DELNET usage/access report generated for the programme dated **06 August 2026** is maintained as documentary evidence of participant access during the session.

Usage Report: [click here](#)

Faculty Participation

Faculty members actively participated in the programme and explored the use of NDLI and DELNET for:

- Literature review
- Research publications
- Project guidance
- Teaching and learning
- Research activities
- Faculty development
- Accessing scholarly information
- Continuous professional development

The session helped faculty members understand how digital library platforms can supplement classroom teaching and support research-oriented academic activities.

Student Participation

Students actively participated in the demonstrations and hands-on activities. They were encouraged to use NDLI and DELNET regularly for:

- Semester examination preparation
- Assignment preparation
- Project work
- Literature searching
- Competitive examinations
- Internship preparation
- Placement preparation
- Skill development
- Research and innovation
- Self-learning and lifelong learning

The enthusiastic participation of students reflected their growing interest in digital learning platforms and technology-enabled academic resources.

Interactive Question-and-Answer Session

An interactive question-and-answer session was conducted at the end of the demonstrations. Students and faculty members actively raised queries regarding registration, login, searching techniques, availability of resources, access to scholarly materials, NDLI Club membership, DELNET services, and the use of digital resources for academic purposes.

The resource person addressed the queries and provided practical guidance to participants.

Major Outcomes of the Programme

The programme achieved the following major outcomes:

1. Students and faculty members gained awareness of NDLI and DELNET.
2. Participants learned practical techniques for searching and accessing digital resources.
3. Participants received hands-on experience in using DELNET.
4. **324 participants successfully accessed/logged in to DELNET during the live session.**
5. Participants became familiar with e-books, e-journals, theses, dissertations, conference proceedings, and other scholarly resources.
6. Students learned how digital resources can support examinations, projects, internships, placements, and competitive examinations.
7. Faculty members gained awareness of using digital resources for teaching and research.
8. Participants were introduced to AI-based tools and additional DELNET services.
9. The programme promoted digital information literacy among the academic community.
10. The programme encouraged participants to make greater use of authenticated academic resources provided through the Central Library.

Conclusion

The **NDLI & DELNET Awareness Programme** was successfully conducted by the Central Library of **Appasaheb Alias Sa. Re. Patil Institute of Technology, Shirol** on **06 August 2026** with active participation from students and faculty members.

The programme successfully created awareness regarding the importance and practical use of digital library resources for **academic learning, teaching, research, innovation, project work, competitive examinations, and professional development.**

The successful simultaneous access of **324 participants to the DELNET portal** was one of the major achievements of the programme and demonstrated the enthusiasm of the academic community towards digital information resources.

The institute currently has 162 **registered NDLI Club members**, and the Central Library aims to continuously increase participation and make the NDLI Club more active through regular awareness activities, digital literacy initiatives, and knowledge-enrichment programmes.

The Central Library expresses its sincere gratitude to the **National Digital Library of India (NDLI)** for providing an extensive digital learning platform that facilitates access to educational and scholarly resources.

The Central Library also extends its sincere appreciation to **DELNET (Developing Library Network)** for providing valuable library networking services, scholarly resources, digital resources, and Inter-Library Loan facilities that support higher education and research.

The Central Library sincerely thanks the **Hon'ble Management, Principal, Heads of Departments, faculty members, students, and all participants** for their wholehearted

cooperation and enthusiastic participation, which contributed significantly to the success of the programme.

The Central Library remains committed to organizing similar awareness and knowledge-enrichment programmes in the future to promote **digital literacy, effective utilization of e-resources, research culture, academic excellence, and lifelong learning.**

Notice

NDL & DELNET Awareness Programme

All **First-Year (F.Y.) Students and Faculty Members** are hereby informed that the **Central Library** is organizing an **NDL & DELNET Awareness Programme** to introduce participants to various digital library resources, e-resources, research tools, and online academic Services.

Date: 06 August 2026

Venue: Seminar Hall

Participants: F.Y Students and Faculty Members

Organized By Central Library

Important Instructions

- All participants are requested to **carry their mobile phones** with them during the session.
- Participants must have an **active email ID** for registration and account creation.
- All participants are requested to attend the programme on time and actively participate in the registration and demonstration activities.

Your active participation will help you make effective use of **NDL and DELNET** for academic learning, study, research, and access to quality digital resources.

Your Institute's NDL Unique Passkey is:
